**Note 1:** \* indicates railroad and utility work which are not subject to the \$100,000 limit covered in Act 51

**Note 2:** Project was halfway through 90 day authorization when the process was revised. The project was approved to go forward by Terry Anderson

**Note 3:** M-DOT authorized \$11,540 in error. The correct amount should have been \$11,040.

The city was unable to verify the labor costs & therefore were only reimbursed for the cost of the equipment valued at \$8,760

**Note 4:** Trunkline not subject to \$100,000 limit. Effective date prior to reduced limit.

**Note 5:** Project was thru 90 day notification prior to change in limits.

**Note 6:** This work is to be performed by LCC students as part of an educational experience. The project had FHWA approval.
